Term 2, Week 6

7 June, 2019

From the Principal

Dear Parents,

It's been such a pleasure to attend Mass on Sundays to celebrate with families as many of our students receive their First Holy Communion. The promises made by parents at Baptism to raise their children in their Catholic faith is an important one. Holy Communion is the receiving of Jesus Christ in the sacrament of the Holy Eucharist. Just as it is necessary to nourish our bodies with material food, so it is also necessary to nourish our souls with spiritual food. Congratulations to all of our students who have recently made their 1st Holy Communion.

Playground update

A tremendous thank you to our community of learners who have offered so many thoughtful and creative suggestions for improvements to our playground. Mrs Misk and I have been in consultation with the Catholic Education Office, Diocese of Parramatta to utilise their skills and expertise to ensure that the decisions made with regard to the playground are safe, student-centred, sustainable into the future and cost-effective. Over the past few weeks, we have met with architects, builders and landscapers. Last week, surveyors came to take measurements and over the rest of this term, this consultative process will continue. We are hopeful that there will be some visible changes to our playground spaces next term.

Staffing update

This week we welcomed Miss Marissa Mentis who has joined the St Paul's community for the remainder of 2019 in the role of Year 6F teacher. Mrs Margaret Ferguson and Mrs Mary-Lourdes Tedesco will transition to Year 3 in the coming weeks. Thank you for your support and understanding with this staffing change.

School Fees

School fees are now overdue. If you are having difficulty paying fees, please do not hesitate to contact the school office to arrange a meeting. We are here to help.

A Community of Learners

Today our teachers have been involved in a whole day of learning about Positive Behaviour Support and also Inquiry/Project Based Learning. I would like to congratulate our staff who are working hard each and every day and collaborating with others in their school environment to facilitate wonderful learning opportunities for the students.

Chatterbox Live with Greg Whitby

Parents are invited to a live Q&A session with the Executive Director of Catholic Education Diocese of Parramatta, Mr Greg Whitby. You'll have the opportunity to ask questions on the issues that matter to you when it comes to learning in today's world. The event will take place from 7pm on June 13 with light refreshments followed by the Q&A.

To register for a free ticket before they are all reserved, please visit this [link](#) and click REGISTER: If you have any questions, please contact Lachlan Andrews from Catholic Education Diocese of Parramatta on 9840 5790.

Dr Michael Carr-Gregg How to raise resilient children

On Monday night, the Parent Representative Council for the Parramatta Diocese hosted a talk by the renowned psychologist Dr Michael Carr-Gregg. I attended this talk because, as many of you would know, I am trying myself to raise a happy and resilient teenager. It was great to see so many of our parents also in attendance.

One of the points that really spoke to me from Dr Carr-Gregg was the need to be really present for our children. One on one time is priceless. He spoke about nurturing the bond between parent and child as it is the greatest insurance policy we can have in raising resilient children.

It is often difficult to communicate with our children - especially as they become teenagers, with the busy lives we lead and with the ever increasing dependency on digital technologies.

The following are some tips for communication with young people taken directly from Dr Carr-Greggs presentation.

- Keep Calm
- Don't talk too much and listen more
- Speak only two sentences at a time and keep it short
- Use humour (but not sarcasm)
- Set very clear limits and boundaries
- Avoid confrontations or ultimatums
- Only argue over things that matter (tidy rooms don't matter)
- Give them Vitamin 'N' (It's ok to say NO)
- Be the world expert on them
- Have rituals and traditions (nurture and honour these)
- Do not give them everything they want
- Keep them busy
- Let them experience adversity.

As a parent and educator I found the presentation to be very affirming of the role that we play in our children's lives.

Happy parenting,
Jane Misek
Assistant Principal

Work Health and Safety Reminders

KISS 'N' DROP - IMPORTANT REMINDER

We have recently been approached by a number of parents using Kiss 'n' Drop in the mornings and asked to remind you of the procedure. Parents using this procedure correctly are becoming increasingly frustrated by the hold ups caused by parents getting out of the car to assist their children. If you need to get out of the car to assist your child, please park in the allocated spaces and walk your child into school.

- **Drive right to the end of the paved area - leaving room for cars entering the zone behind you.**
- **Children are to have their school bags with them - getting bags out of the boot causes delay and is unsafe.**
- **Drivers are to remain in their cars**
- **Children are to alight on the passenger side of the car with their bags**
- **Drivers are to exit the area slowly to rejoin the traffic.**

Kiss 'n' Drop does not operate in the afternoon - Children must be collected from the stage area

We are very fortunate to have the Kiss 'n' Drop facility available in the mornings, please be considerate of other people. Our aim is to keep your children safe, please help us to do so.

Child Protection

A reminder for parents who are required to 'UPDATE' their child protection and for 'NEW' parents to the school. It is the Catholic Education Diocese of Parramatta (CEDP) requirement that parents who volunteer at school must complete the Child Protection Module ONLINE together with the Building Safe Communities - Undertaking for Volunteers. This training is available online at: <http://childprotection.parra.catholic.edu.au/training> and **MUST** be completed every two years. All parents must have completed the above **prior** to helping in the classroom, on excursions, sport days, canteen or any help around the school.

Athletics Carnival - change in date

Thank you for your patience and understanding with regards to the change of date for our Athletics Carnival. Our new date is Thursday 13th June. Please see the note that was sent home this week.

Change of School for 2020

To estimate enrolments for 2020, it would be appreciated if the school could be notified in writing of any children who may be leaving St Paul's at the end of the year from grades other than Year 6. Thank you.

PBS4L Logo and Mascot Competition

Thank you for your votes - we have heard your voice! We will be announcing the winners of PBS4L Logo and Mascot competition next week.

A mascot is a fun way for us to promote our Positive Behaviour Support and make sure that we all know exactly how to be Respectful, Safe Learners.

The student artists who have created the most popular entries will be working with a graphic designer to combine the ideas that best represent the values of our school and create our PBS4L mascot.

Thank you for your continued support.

St. Paul's Netball Club

What a wonderful start to the season! This year we are lucky enough to have teams in Under 10s, 11s, and 12s, and for the first time there is an Under 7s team! All of these teams comprise of students from St. Paul the Apostle.

Our Under 7s team takes part in a modified version of the game called 'Net Set Go', which enables the players to hold the ball for a little longer, the goal posts are lowered and a little stepping is allowed. This year's team consists of 10 players, many of whom are our Year 1 students, with some girls from outside the school also joining the team. Hopefully next year some boys will be part of the team too. The Friday night games, at Kellyville, are the highlight of the week. The girls thoroughly enjoy themselves and have displayed substantial growth in their skills. Their sportspersonship is commendable as they treat their teammates and the opposition alike, with respect and support.
